# GPCOG Screening Test

*Unless specified, each question should only be asked once.*

## Name and Address for subsequent recall test

1. "I am going to give you a name and address. After I have said it, I want you to repeat it. Remember this name and address because I am going to ask you to tell it to me again in a few minutes: John Brown, 42 West Street, Kensington." (Allow a maximum of 4 attempts).

## Time Orientation

2. "What is the date?" (Exact only.)

Correct

Incorrect

## Clock Drawing – use blank page

3. "Please draw a circle. Now mark in all the numbers to indicate the hours of a clock." (Correct spacing required.)
4. "Please mark in hands to show 10 minutes past eleven o'clock." (11:10)

## Information

5. "Can you tell me something that happened in the news recently?" (Recently = in the last week. If a general answer is given, e.g. "war," "lot of rain," ask for details. Only specific answer scores.)

## Recall

6. "What was the name and address I asked you to remember?"

John  
Brown  
42  
West (Street)  
Kensington

  
  
  
  
  
  
  
  

(To get a total score, add the number of items answered correctly)

**Total correct** (score out of 9)

/9
----

If participant scores 9: No significant cognitive impairment; further testing by a physician or other qualified healthcare professional not necessary.
If participant scores 5-8: More information is required; further testing by a physician or other qualified healthcare professional is <u>suggested</u> .
If participant scores 0-4: Cognitive impairment is indicated; further testing by a physician or other qualified healthcare professional is <u>recommended</u> .
